Kingway is a brand with many years of experience in the distribution of vehicles and machines such as mini excavators, loaders, backhoe loaders or rollers. Today, there are over 200,000 Kingway vehicles on the roads of Europe! We present a wide range of construction machines that allow you to precisely match the parameters to your needs while maintaining extremely attractive prices.

We provide warranty and post-warranty service as well as permanent access to spare parts. Thanks to this, you can be sure that excavators, loaders or Kingway rollers will serve you for many years and their operation will be trouble-free.
